

Spring Break Week 2018 Class Schedule

We have decided to offer some extra classes over spring break to give dancers an opportunity to make up any excused absences they may have.

The classes below can be used as make up classes for any excused absences, including snow days.

(Dancers signed up for the "multiple class, unlimited ballet" or "unlimited ballet" option may drop-in to the spring break classes even if they don't have classes to make-up.)
