

Citizenship Standards for Participation Springfield Ballet, Inc.

Springfield Ballet, Inc. is a not-for-profit organization dedicated to advancing the art of ballet through premier education, performance, outreach and collaboration. Our core values are: *Commitment, Professionalism, Knowledge, Respect, Excellence, Confidence, and Discipline*. Classes and productions are designed to develop and enhance the physical, mental and artistic benefits our students receive from their participation. In order to maximize these benefits, we must have the full cooperation of students and their parents.

As a condition for participation, students and parents (including other relatives and friends) are required to exhibit appropriate behavior during any Springfield Ballet activity.

- Springfield Ballet students must: show respect for faculty and staff, and for fellow students at all times; conduct themselves in a positive, cooperative manner, and adhere to all school rules and core values; support, respect, and encourage fellow dancers as well as act as a role model for younger dancers. Disruptive behavior will not be tolerated.
- Parents, relatives and friends of Springfield Ballet students must show respect for faculty and staff, and behave civilly towards each other. Abusive or negative behavior, either overtly or behind the scenes, will not be tolerated.

Any incidence of unruly behavior, unacceptable conduct or attitude, or activities detrimental to Springfield Ballet, its students and staff, will result in the immediate suspension of the student.

These standards have been adopted by the Board of Directors of Springfield Ballet, Inc., and apply to all students, their parents and other relatives, and friends.

These standards will be upheld and enforced by the Springfield Ballet Staff and Board.
