

Scholarship Application for Winter/Spring 2019

Requirements and Procedures

Requirements for Applicants:

Each semester that you receive a dance scholarship, you will be expected to fulfill the following responsibilities:

1. Demonstrate a true passion and desire for dance. Recipients who go above and beyond expectations are highly regarded.
2. Enroll in a class schedule as recommended by the School Director. Minimum class requirements for a scholarship recipient vary depending on the level and age of the student; however, the minimum class requirements for a scholarship recipient are above the minimum requirements for his/her level. For example, a Ballet 2 student is typically required to take one class per week, but a scholarship recipient will be expected to take a minimum of two or three classes per week. Scholarship students must commit to the entire semester. If a student leaves during an awarded semester, Springfield Ballet will invoice for any unpaid tuition and scholarship award will be revoked.
3. Maintain an exceptional attendance record and make up missed classes. Exude the qualities of an exemplary student, i.e., follow dress code and proper class etiquette, avoid tardiness and unexcused absences, demonstrate a positive attitude toward other dancers, exhibit consistent respect and positive attitude toward Springfield Ballet instructors and staff, and practice outstanding, healthy nutritional habits. Follow Springfield Ballet's core values.
4. Audition for and perform in the Springfield Ballet production for the awarded semester. Attend any applicable guest artist classes or workshops, and audition for any applicable guest artist works. Participate proactively in Springfield Ballet performances, fundraising activities, and other special events.
5. Comply with assigned work study hours which may include, but are not limited to, cleaning, production work, assistant teaching (age 14 and up) and/or office duties. Depending on the age of the scholarship recipient, a parent may be permitted to help with the work study hours. Hours are based upon scholarship amount awarded.
6. Scholarship recipients' financial accounts are to be kept current with payments up to date and on time. Please communicate any extraordinary circumstances that would prevent this from being feasible. Recipients with delinquent accounts may not be eligible to audition for future scholarships.
7. Parental involvement and volunteerism are expected.
